Festive theme is a hit at fair

CHRIST Church in Crowton held its Christmas fair in the village hall when residents were able to enjoy a whole range of activities, all based on a Yuletide theme.

Stalls included produce, handicrafts, Christmas goods, bran tub, tombola and the man in red himself, Father Christmas, put in an appearance to delight the younger visitors.

Home made refreshments and raffles added to the success of the occasion and the crowds enjoyed entertainment from the children of Crowton Primary School who performed various carols.
